Being the Best 2010

The BTB training has been run by Global Connections at 3 venues throughout 2008 and 2009 very successfully. We felt in Mission Representatives Fellowship Scotland it would be good value for us to pilot a BTB course over one year instead of two, the saving being over £100 per person. The curriculum content is the same, we do 2 days work in one! We are up to that aren't we?

The normal two year curriculum can be seen and downloaded from the Global Connections website <http://www.globalconnections.co.uk/> . Entering "being the best" into the search box is the easiest way to find it. Alternatively contact me and I will forward it.

The course is part of a planned continuous professional development programme for those representing mission in churches. The ethos of the course can also be seen by viewing the BTB Brochure available from the same link. Brian Boley of Christian Training is the trainer assisted by Bryan Knell of Global Connections.

To make the course cost effective the maximum we can have on the course is 15 and the minimum for effective interaction, sharing and learning from one another is 12. If 15 attend the course cost is £185, if only 12 sign up the costs will proportionally rise to £225. This is an excellent value course, a secular one of this standard would cost that amount per session.

Please respond quickly and indicate your desire to attend. We will send out e-mail invoices to those who have applied in early December. Fees need to be paid by 8 January 2010.

In the first instance we want MRF Scotland members to benefit from this training. If we are short on numbers we may offer it to non MRF linked agencies based in Scotland, or other reps in the UK who may desire to avail themselves of this great value training. Apply early and make sure you get a place!

Please contact me if you need more information

In Him,

Stephen Elliott-Lockhart
