In his book *The Next Christendom* Philip Jenkins has tried to give a glimpse into the future. In the 21st century, which will see large demographic growth of Christianity in the global south, how will African, Asian and Oceanian Christianity relate to world Islam? Jenkins raises the spectre of Christian crusade against Muslim jihad as the world confronts new religious realities and new faith groupings. In this book experts from Europe, Sri Lanka, West Africa, New Zealand and the USA reflect on this analysis and on the future for Christianity.
