Born out of the ReMAP I and ReMAP II research projects into missionary retention, this book presents best practices positively and constructively in order to help in discerning the good practices from the bad. The aim is to challenge leaders to review, examine and reflect upon their current practice and to discard whatever is less than the best. Hence the bin on the front cover!

An essential handbook for all involved in mission leadership.

The lead editor is Rob Hay, with other contributions from Valerie Lim, Detlef Blocher, Jaap Ketelaar, Jonathan Ingleby, Richard Tiplady and Sarah Hay.

Foreword by William D Taylor.
