

## Related networks

As the UK evangelical network for world mission, Global Connections is linked to other networks, both in the UK and worldwide.

Internationally we are members of the World Evangelical Alliance - Mission Commission (WEA-MC). We are also closely linked to the Lausanne movement and provide a link for Lausanne within England and the UK. We maintain links with many mission networks around the world.

Within Europe we are members of the European Evangelical Mission Association (EEMA) which brings together other national networks within Europe with similar vision to ours. The EEMA runs several sub-networks such as European Member Care and Euro TCK. The EEMA has close links to the European Evangelical Alliance (EEA).

In the UK, we are a sister network of the Evangelical Alliance (EA) and are also part of Micah Challenge UK. We work closely with the British and Irish Association of Mission Studies (BIAMS).

### [WEA - MC](#)

The World Evangelical Alliance - Mission Commission (WEA-MC) focuses on catalysing, connecting and strengthening global mission movements and networks

### [Lausanne Movement](#)

The whole church, taking the whole gospel to the whole world

### [Mission networks around the world](#)

Our sister networks operating around the world

### [EEMA](#)

The European Evangelical Mission Association encourages mission from, to and in Europe

### [EEA](#)

The European Evangelical Alliance - stronger together, weaker apart
