

## Seminars and courses for churches

These are designed to help churches explore their response to global mission

We preview here a number of courses that are currently available to churches and Christians to promote mission. The assumptions they make, the way they work and the people they target vary considerably but they can all be used to help promote mission.

### [Christian Life and Global Mission](#)

A video and DVD resource for church small groups and housegroups to use to discuss mission

### [Church Mission Committee Training Days](#)

For church mission groups and committees to explore ways of encouraging a congregational commitment to mission

### [Global Focus](#)

Working with church leaders to encourage mission focus

### [Kairos](#)

Encouraging mission vision in individuals
