

Northern Ireland reps (MAP and MSF)

Mission Agencies Partnership (MAP) and Mission Secretaries Fellowship (MSF)

Mission Agencies Partnership (MAP) - resourcing world mission together

Mission Agencies Partnership (MAP) is a group of 25, or so, Mission agencies who work together to promote the challenge of world mission and the opportunities for people to become involved in the mission mandate to the church.

To fulfil this role they co-ordinate mission presentations, exhibitions, seminars and attend specialist events to provide a mission profile. MAP is facilitated and administered by the Evangelical Alliance.

Mission Secretaries Fellowship (MSF)

The MSF is a long-standing fellowship for the mutual prayer and support of agency reps in Northern Ireland. The Chair is Samuel Cowan (Seamans Christian Friendship Society) and the secretary Irene Montgomery (Healthcare Christian Fellowship). Meetings are held quarterly on the first Wednesday of March, June, September and December, usually at the Belfast Bible College.

MSF has long been involved in the Bangor Worldwide Missionary Convention and organises the global mission display for that event.
