

## Northern reps

A meeting of agency reps working in the North of England

The Northern Reps meet twice a year. In June and December. Meetings start at about 11am and finish around 3pm. There used to be different meetings for those in the North East and North West, but in 2006 these were combined meeting which has so far been based in Harrogate.

Before lunch the meeting considers a issue related to the work of reps and after lunch time is spent in reporting, sharing and prayer.

For more information contact Bryan Knell (Global Connections) or Ian Morris (Interserve).
