www.crb.gov.uk has information about CRB checks, umbrella bodies and legislation.

Organisations and Umbrella Bodies Offering CRB Checks

Smaller organisations doing less than a certain number of CRB checks per year are unable to now do CRB checks themselves and need to work through an umbrella organisation. The following organisations have been suggested by members of the Short-Term Mission Forum as groups offering CRB checks. They are noted in alphabetical order and their website details are available for your information. Please contact them directly if you are interested in their services.
