

## Forum papers

### Papers related to issues covered in the Africa Forum

Most of our forums include presentations on topical subjects from guest speakers or from members of the forum. With the permission of the presenter, we make the contents of some of these presentations available on our website in the form of papers for those who missed the meeting, and for those who would like to learn more.

Papers relevant to the Africa forum are listed below. Click on the link to view the full text.
